

Assignment #2

Resource Tools Tour

Have you ever gone shopping without knowing what you wanted to buy, but when you see “it” you know you have found your treasure. Shipley Communication has a host of resources available to help you find “it”; the missing piece in your organization’s training. Being familiar with the resources available will enable you to create a stronger training program for your organization.

Assignment:

Familiarize yourself with all of the tools you received at your training.

1. What is the purpose of each of your materials? What organizational goals can they help you achieve?
2. As a facilitator how can you best use the materials?
3. Because your organization’s needs are unique, the materials you received may not be all you need to fulfill your goals. Using the chart below, circle what may be missing.
